## ABOUT ME

Licensed massage therapist of seven years making a pandemic pivot to a career as a software developer. Years working closely with clients in a therapeutic setting has honed her expertise at listening, understanding and problem-solving. Mix in quality technical training and a creative eye, she will be an asset to your team.

## TECHNICAL SKILLS

- HTML, CSS, Sass, Bulma, Bootstrap
- JavaScript, React
- Python, Django, Django REST
- Git & GitHub
- SQLite and JSON Server

## PROJECTS

### Woodbine's Little Free Libraries

Front-End Capstone Project

- My app connects you to all the free little libraries in my neighborhood (Woodbine). You can view all the books each one holds, select one to take, or add a book by entering its ISBN number. You can also add/edit your own library if you decide to build one
- Single-page app utilizing React, React Router, and API fetch calls to JSON server
- Full CRUD functionality
- Styled with CSS using Bulma customized with Sass

### Nutshell

React Group Project

- Nutshell is a social media application built by a team of four
- Users are able to create events, tasks, and messages that are only viewable by those who have followed each other.
- Single-page app utilizing React, React Router, and API fetch calls to JSON server
- Full CRUD functionality

## EDUCATION

### **Nashville Software School    2021**

- Six-month Full Stack Web Development Intensive

### **Mind Body Institute    2013**

- 700 hr Massage Therapy Program

### **Belmont University    2008-2010**

## TECHNICAL EXPERIENCE

### **Nashville Software School**

Full Stack Web Development Bootcamp | Jan 2021 to Present

- Developed dynamic single-page applications using React in addition to modern ES6+ Javascript
- Learned fundamentals such as HTML, CSS, JSON, modular code, reusable components, database structure, and using Entity Relationship Diagrams
- Experienced working/collaborating remotely while utilizing version control with git/gitHub
- Exposed to an Agile environment through frequent group projects including daily stand ups, planning, ticket assignments, and problem solving
- Used Python and Django fundamentals such as class properties, functions, and inheritance to create server-side applications

## PROFESSIONAL EXPERIENCE

### **Mokara - Omni Hotel Nashville**

LMT | June 2019 to March 2020

- Performed customized massage therapy sessions in a upscale luxury spa setting
- Performed various spa services- body wraps, scrubs, etc.
- Several TN Titans football players were regular clients

### **Urban Oasis Day Spa - Nashville**

LMT | Aug. 2017 to Aug 2019

- Performed customized massage therapy sessions
- Specialized in neuromuscular/trigger point therapy
